

# Chester, the Worldly Pig

by Bill Peet

In this story, Chester learns the importance of being proud of who he is. We attain pride in ourselves when we are proud of our actions and our words. Write to Character Ed and tell him about a time when you had pride in yourself! Did you accomplish a long-term goal? Did you learn something new? Did you make the right choice in a tough situation? When was a time that you attained pride in yourself?
